

§ 77-127. Department of Environmental Quality establish pumpout facility criteria; inspection of pumpout facilities and vessels docked or moored at a marina.

(a) The Department of Environmental Quality shall establish appropriate criteria for pumpout facilities and pumpout services provided at large vessel marinas that offer docking services to the general public. The criteria shall include requirements that the facility or services be available to the public, the pumpout facility be open during normal hours, and the pumpout facility be used for its intended purpose. The criteria also shall include a requirement that these marinas maintain records regarding the pumpout facility or services. The Department also shall develop guidelines for inspections of pumpout facilities at such marinas and of vessels that are docked or moored at these marinas.

(b) The Department also shall establish appropriate criteria for pumpout facilities and pumpout services provided at privately owned large vessel marinas that do not offer docking services to the general public. The criteria shall include requirements that the facility or services be made reasonably available to members of the private marina and the pumpout facility be used for its intended purpose. The criteria also shall include a requirement that these marinas maintain records regarding the pumpout facility or services. The Department also shall develop guidelines for inspections of pumpout facilities at such marinas and of vessels that are docked or moored at these marinas.
